Design Philosophy

As a self-proclaimed functionalist, I believe that form follows function. Every aspect of a design is to be chosen with care to serve the purpose of delivering its message. Because in design, as with a good joke, an explanation is absolute.

Education

1998 - 2004 St Lambertus Ekeren
'Moderne talen - Menswetenschappen'

2004 - 2008 Karel de Grote hogeschool, division St Lucas
